

Module 1. Samara University

Lead-In

1. What factors did you consider while choosing a University? Put them in the order of importance. Explain your choice. Expand the list.

#	Factors
	geographical position
	military department
	wide range of specializations
	family tradition
	high level of education
	sports facilities
	scientific facilities

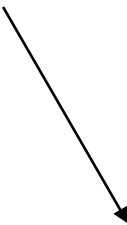

Reading

1. Say which Institute or Faculty you have chosen to study at; which of them you were considering as well.

- ✓ Aeronautical Engineering Institute
- ✓ Aerospace Propulsion Institute
- ✓ Computer Science Faculty
- ✓ Institute of Economics and Management
- ✓ Industrial Engineering Faculty
- ✓ Space Engineering Institute
- ✓ Institute of Electronics and Instrument Engineering
- ✓ Historical Faculty
- ✓ Biological Faculty
- ✓ Sociological Faculty
- ✓ Mechanics and Mathematics Faculty
- ✓ Faculty of Physics

- ✓ Faculty of Public Administration
- ✓ Faculty of Philology
- ✓ Chemistry Faculty
- ✓ Faculty of Law
- ✓ Faculty of Psychology

2. Match the phrases with their Russian equivalents.

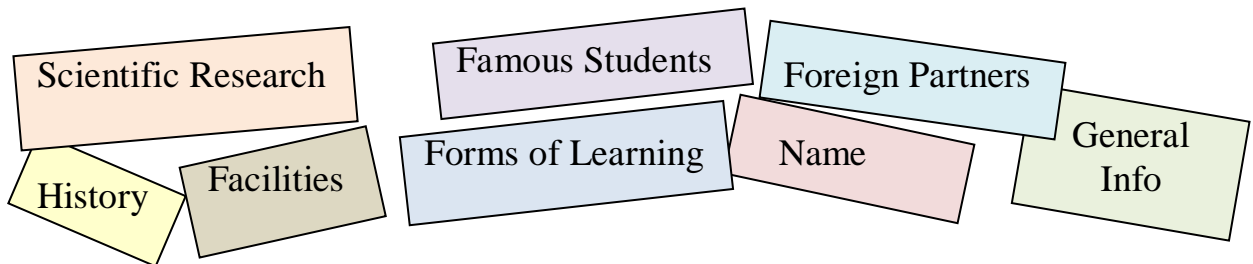

- | | |
|--------------------------|-----------------------------------|
| 1. post-graduate courses | a) научные исследования |
| 2. engineering | b) общественное питание |
| 3. distance learning | c) дневная форма обучения |
| 4. scientific research | d) аспирантура |
| 5. full-time tuition | e) проектирование и строительство |
| 6. student hostel | f) тренировочный аэродром |
| 7. catering facility | g) заочная форма обучения |
| 8. aircraft fleet | h) общественные науки |
| 9. training airfield | i) студенческое общежитие |
| 10. social sciences | j) самолетный парк |
- 

3. Practise reading the following words.

higher	'hʌɪə
construction	kən'strʌkʃ(ə)n
industry	'ɪndəstri
design	dɪ'zʌɪn
science	'saɪəns
tuition	tju:'ɪʃ(ə)n
unique	ju:'ni:k
yacht	jɒt
cosmonautics	,kɒzmə'nɔ:tɪks

occupy	'ɒkjʊpAɪ
specialization	,speʃəlaɪ'zeɪʃən
premises	'preɪmɪsɪz

4. Read the text about Samara University and give the heading to each paragraph. Choose from the list. There are extra ones you don't need to use.

Samara National Research University

A) Samara National Research University is one of the **leading** universities recognized not only in Russia but abroad. It trains specialists in space-rocket engineering, aviation, radio electronics, metallurgy, automotive industry, information technologies, business studies, social sciences, languages, law and other fields. The number of educational programs has been increased significantly since the merger of Samara State Aerospace University and Samara State University in 2015. The university is among the country's leading federal and regional innovative education **institutions** taking the highest ranks in the Russian Academic Excellence Project (5/100).

B) The University is named after Sergey Korolev, an outstanding **scientist** and designer of space rocket systems, the founder of **cosmonautics**. In 2009, the University became one of 14 higher education institutions in Russia to be awarded the status of a National Research University.

C) Today, the University provides **education** in 218 programs on its **premises**. It has both full-time **tuition** and evening classes. People who work can attend distance learning courses. Graduates who have a BSc (Bachelor of Science) may want to continue education and go to post-graduate courses to get a degree of MSc (Master of Science) or a PhD (Doctor of Philosophy).

D) At present **teaching** and research in Samara University is organized by 8 Institutes and 13 Faculties. Its teaching staff **includes** more than 1400 people. The University **consists of** 85 departments, a media-centre, laboratories, research institutes, a library stocked with over 1 million books and electronic resources, a

training airfield with a unique aircraft fleet, sports complexes with a swimming pool, a yacht club, a public museum of aviation and cosmonautics, a center of aircraft engine history, a health and fitness center, a catering facility, a print facility and student hostels on both South and North **campuses**.

E) Samara University is the **key** institution for the aerospace cluster of Samara Region. The University cooperates with science centers and **organizations** in the Russian **aerospace** industry. Over the past decade, the University has continued blending research and educational activities. Many years of tradition, authoritative science schools and resources allow the University to remain one of the best research institutions of Russia and participate in state and regional scientific and technological programs.

F) Over the long years of its history, the University has trained more than 50,000 highly-qualified experts, many of whom have become **renowned scholars**, designers and managers, **prominent** public and government figures.

5. Match the words with their definitions. State their part of speech.

1. a department noun a) a person who starts an organization

2. a graduate ____ b) a part of an organization

3. a founder ____ c) to become bigger in amount

4. unique ____ d) building, equipment, services

5. research ____ e) a group of people working for some company

6. staff ____ f) land and building of an organization

7. a facility ____ g) only one, exclusive

8. to cooperate ____ h) a detailed study of a subject

9. premises ____ i) a person who finished a university

10. to increase ____ j) to work together

Parts of Speech

Noun – thing/person (what/who)

Verb – action (to do what)

Adjective – attribute (what kind)

Adverb – manner (how)

6. In the text, find 9 pairs of synonyms among the words **in bold**.

1. Leading = key_____

7. a) *In the text, find the derivatives (having the same root) of the following words. Define the part of speech.*

a) science (n) → scientist (n) → ...

b) design

c) special

d) develop

e) educate

f) found

g) region

b) *Fill in the gaps with the words given in the exercise above.*

c) *Translate the following text into Russian.*

Research at the University of Oxford

Students and teachers of the University cooperate with professionals, and make significant contributions to science – (1)_____ (**region**), nationally and internationally – through the fruits of their research.

Research and (2)_____ (**develop**) activity at Oxford consists of four (3)_____ (**educate**) institutes, more than 70 departments and colleges; the academic staff (teaching and research) consists of 1632 (4)_____ (**special**).

In the year of 2008 Oxford had the largest number of (5) _____
(**science**) research works in a total of 48 fields.

Oxford's research grants and contracts for 2007/8 was £285.3 million, which was
spent on (6)_____ (**design**) cars, constructing air and space craft,
(7)_____ (**develop**) new electronic devices.

(edited from <http://www.ox.ac.uk>)

You should remember the following words and phrases!

a merger	слияние, объединение
a campus	студ.городок
engineering	проектирование и строительство
designing	проектирование
a scholar	ученый
scientific research	научные исследования
full-time tuition	дневная форма обучения
distance learning	заочное обучение
a graduate	выпускник университета
post-graduate courses	аспирантура
to get a degree	получить научную степень
Bachelor	бакалавр
Master	магистр
PhD	кандидат наук
teaching staff	преподавательский состав
a training airfield	тренировочный аэродром
an aircraft fleet	авиапарк
a hostel	общежитие

prominent figure	видный деятель
------------------	----------------

Grammar

Word order is very important in English, it is fixed.

In a declarative sentence, the subject comes in front of the predicate. The object and the adverbial (when there is one) come after it:

Samara University trains engineers nowadays.

1. In the text (p.3-4), underline subjects and predicates.

2. Put the words in the right order to make full sentences.

- a) part/students/in/take/scientific/active/research.
- b) began/in/SU/with/cooperating/the USA/in 1990/universities.
- c) branches/a degree/of/graduates/many/in/get/engineering.
- d) practice/the/airfield/can/students/the/have/training/at.
- e) learning/a/education/popular/is/distance/form/of

Question types:

General (Yes/No) Question

Auxiliary verb Subject Predicate ...?

Do you study at SU?

Alternative Question

Auxiliary verb Subject Predicate ... OR ... ?

Do you study at SU or at Oxford?

Special Question

Question Word (Phrase) Auxiliary verb Subject Predicate ... ?

Where do you study?

BUT a special question to the subject

Who

What predicate (3rd person singular) ... ?

Which of...

Who studies at SU?

Tag Question

Subject Predicate (positive) ..., auxiliary verb (negative)+ subject (pronoun)?

OR

Subject Predicate (negative) ..., auxiliary verb (positive)+ subject (pronoun)?

You study at SU, don't you?

You don't study at Oxford, do you?

3. Put all possible questions to the following sentences.

a) Students live in hostels with excellent facilities.

e.g.: Do students live in hostels with excellent facilities?

Do students or lecturers live in hostels with excellent facilities?

Students live in hostels with excellent facilities, don't they?

Who lives in hostels with excellent facilities?

Where do students live?

What kind of hostels do students live in?

b) A team of designers created a new engine.

c) Graduates carry out scientific research to get a PhD.

d) The department of foreign languages will cooperate with the military department in the future.

e) The university has bought a new helicopter for its aircraft fleet.

f) There are many sport facilities on the campus.

g) Catering facility is important for students of full-time tuition.

4. Imagine you are going to study abroad for three months. You'd like to get more information about the college. Ask 10 questions to find out the following.

a) location of the campus

b) accommodation facilities

c) course fee

d) application procedure

e) practicum part of the programme

f) number of lectures a week

g) exams

h) facilities on campus

i) part-time jobs for students

j) subjects in this curriculum

5. Put tag questions.

a) Cambridge is formed from a variety of institutions,?

b) All the colleges are self-governing institutions within the university,?

c) It does not have a main campus,?

d) The university also operates eight cultural and scientific museums,?

e) Cambridge has educated many prominent scientists, politicians, lawyers, philosophers,?

f) There are 31 colleges with 18,271 students with 9,823 academic and administrative staff members at Cambridge University, ...?

g) No college is as old as the university itself,?

h) Cambridge is now the only remaining United Kingdom university with female-only colleges,?
